

# Thursday · July 28 · Session 1 (Eve) · An ExtraOrdinary Revelation

## The Nazi Bell ... and Nazi Survival

Joseph Farrel, DPhil (Oxon)

### The Implied Physics of the Nazi Bell Device ... ... and the Implications of Independent Postwar Nazi Research

Die Glocke (German for "The Bell") is the name of a purported top secret and highly sensitive Nazi scientific technological device with antigravitic properties. Polish aerospace defence journalist and military historian Igor Witkowski, claims was to be a secret weapon, or Wunderwaffe.

In this presentation Dr. Farrell outlines the salient features of the Nazi Bell and postulates the various possible physics bases for each. Basing his findings in prewar papers in physics and engineering, he believes the Nazi Bell was intentionally conceived as a hyper-dimensional torsion device de-

signed to investigate local engineering of the vacuum for three purposes:

- 1) to explore the potentials for a new energy source,
- 2) to explore its potential for a new kind of propulsion, and
- 3) to explore its weaponization potential as a "doomsday" weapon of awesome destructive potential.

Dr Farrell also explores the potentialities of Nazi survival and the indications that the Bell project remained in Nazi hands, and that aspects of the project were continued in postwar Nazi enclaves in Latin America.

## Conference Lodging Facilities

Limited space... Please register by June 30!

### Nativio Lodge

6000 Pan American Fwy NE  
Albuquerque, NM 87109

**I-25 at San Mateo Boulevard**

Hotel Reservations:

**(505) 798-4300**

[www.hhandr.com](http://www.hhandr.com)

Be sure to request our special  
**TeslaTech**  
**ExtraOrdinary Technology**  
**Conference rates!**

### Hotel Amenities

For comfort and convenience, hotel amenities include:

- Free Breakfast Buffet
- Free local calls/no surcharge on cards
- Clean, fresh, comfortable rooms standard with a coffee maker, iron and ironing board, free high speed wireless internet access, and free local calls!
- 24-hr FAX and copy services

### Conference Evening Social

Meet the Speakers  
... and New Friends!

Thu/Fri/Sat 7PM

Every night provides an opportunity to meet the speakers and other attendees in a relaxed social setting. Its a great opportunity to make new friends that share your interests. We even provide some refreshments!

**Need a Ride  
from the  
Airport?**

**(505) 883-4966**

The **one-way** rate to/from the Nativio Lodge is **\$22 for first passenger.**

**Extra passenger rate** of \$7 applies for each additional passenger traveling in the same party as the full-fare passenger and must ride to the same destination on the same shuttle van.

*Organize as a group prior to going to shuttle counter. Van holds 10 people!*

**For taxicab service in Albuquerque,  
Call Albuquerque Cab Company at**

**(505) 883-4888**
